GL14 Chair and Opening Speakers

Tracking Innovation through Grey Literature

Fourteenth International Conference on Grey Literature

National Research Council, CNR Rome, 29-30 November 2012

Opening Address

Dr. Carlos Morais Pires (*European Commission*) is Head of the Sector of the 'Scientific Data Infrastructure' in the unit dealing with e-Infrastructures in the EU 7th Framework Programme (Capacities Programme). He has been with the European Commission (Information Society DG) since 1998, dealing with the development of a large number of R&D projects on Information and Communication Technologies and has been actively involved in bringing output from research into policy and regulatory activities. He holds a Ph.D. from Telecom Italia Lab/University of Lisbon, in Electrical Engineering in the field of Telecommunication and Broadcasting Technologies. Before joining the EC, he was with the department of Computer Science of ISCTE University in Lisbon.

Keynote Address

Dr. Jan Brase (*TIB Hannover*) has a degree in Mathematics and a PhD in Computer Science. His research background is metadata, ontologies and digital libraries. Since 2005 he is head of the DOI-registration agency for research data at the German National Library of Science and Technology (TIB). He is furthermore Managing Agent of DateCite that has set itself the goal of making online access to all kinds of information for scientists easier by promoting the acceptance of research data and grey literature as individual, citable scientific objects. Jan is Chair of the International DOI foundation (IDF), Vice-President of the International Council for Scientific and Technical Information and Co-Chair of the CODATA Data Citation task group.

Chair Opening Session

Dr. Stefania Biagioni (*ISTI-CNR*) is a research staff member and Head librarian and member of the ISTI Networked Multimedia Information Systems Laboratory. She has been involved in digital library projects since 1996. Stefania is Co-Chair of the GL14 Program Committee and longstanding author in the GL-Conference Series. <http://www.textrelease.com/gl14program.html>

About GreyNet Newsletter

This serial publication endeavors to keep information professionals abreast of developments in the field of grey literature. The quarterly newsletter gives exposure to GreyNet's information resources and frontline activities with special emphasis on the International Conference Series on Grey Literature. The GreyNet Newsletter is licensed by EBSCO Publishing and can also be accessed via the Library, Information Science & Technology Abstracts (LISTA) full-text database. This serial publication is made possible through the support of GreyNet's Associate Members and Corporate Authors: FLICC-FEDLINK of the Library of Congress (USA), INIST-CNRS (France), New York Academy of Medicine (USA), EBSCO Publishing (USA), National Technical Library (Czech Republic), and the Slovak Centre of Scientific and Technical Information (Slovak Republic)

Grey Literature is a field in library and Information science that deals with the production, distribution, and access to multiple document types produced on all levels of government, academics, business, and organization in electronic and print formats not controlled by commercial publishing i.e. where publishing is not the primary activity of the producing body.
